

# Meet your teacher

## MAIYA-JADE MURRAY

### ABOUT ME

My favourite place to go is the beach, and I can often be found on my paddleboard with friends and family.

I enjoy being outdoors and going for walks along the coast or in the countryside.

### FUN FACTS

- I can play the violin and the viola and have played in orchestras at the Royal Albert Hall.
- I have two different coloured eyes - one green and one brown.
- I have previously lived in Toronto in Canada!

### TEACHING PHILOSOPHY

I am passionate about creating a safe space at school, where every child feels a sense of belonging. I believe that positive relationships between adults and children are a fundamental part of classroom culture.

I think it is crucial for every child to feel important and valued, through a non-judgmental, supportive and positive approach.

### INTERESTING INFO

I love Formula One - my partner and I are cooking a themed meal for each race this year. Our dog is also named after one of the drivers, can you guess which one?
